

The Official SIMON JOYCE Memorial League

CONGRATULATIONS, YOU'VE MADE IT THROUGH WEEK 1!

Questionable lineup decisions, horrific injuries, surprise victories and a broken mobile phone that keeps trying to call people through Facebook Messenger, week 1 had it all.

Week 1 Recap

On the NFL side it was a dramatic weekend. The Dolphins game was suspended twice and broke records as the longest game since the AFL-NFL merger. The Packers staged a *spectacular* comeback over the goddamn Bears. And THE BROWNS DIDN'T LOSE!

Unluckiest Team

Tannehill Has Risen (David)
would have won against

85.71%

of opponents, but came away
with a loss.

Luckiest Team

Bukkake Surprise (Tom) only
outscored

28.57%

of opponents, but somehow
scraped a win.

Worst Decision

Queensland Quizards (Holly)
could have won by

5.74^{PTS}

if she played Brady over Stafford.
Who benches Tom Brady?!

Most Confused

Teesside Tornado (Rolly) for
wondering why he had

0^{PTS}

before any of his guys had
actually played their games.
